

Topical Research Meeting on Topological States in Strongly Interacting Light-Matter Systems

19–20 March 2018

De Vere Horwood Estate, Milton Keynes, UK

trm-tims2018.iopconfs.org

A two-day meeting with an associated exhibition, which is aimed at those working with cryogenic measurements, optics and electro-optics, microwave equipment and microfabrication in semiconductors and superconductors, and those who are integrated in quantum technology programmes.

This event is part of the Topical Research series, which are meetings aimed at major and topical themes in physics. We anticipate 100+ participants mainly from the UK and Ireland, and a good geographic representation of invited speakers mainly from Europe – but also from further afield.

The exhibition will be held alongside the conference in the lounge area, located directly outside the lecture theatre where the sessions will take place. The exhibition will include registration, posters and refreshments, maximising your time spent with the participants and guaranteeing footfall to the exhibition area.

In addition, your company logo, a web link to your homepage and a short profile will be included on the website meaning increased visibility, not only to conference attendees, but to the wider scientific community.

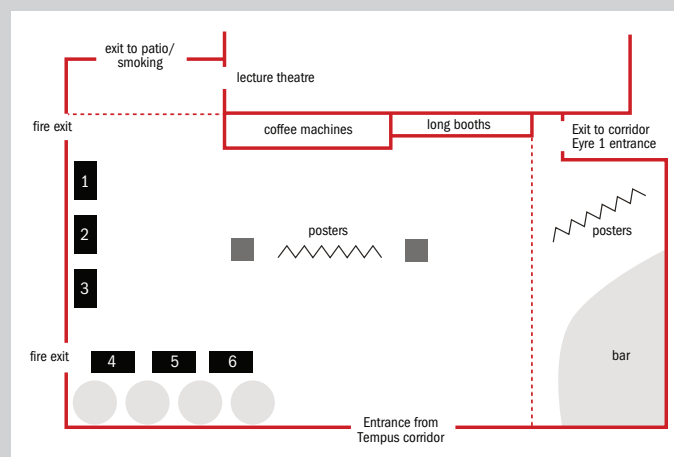

Exhibition package

- A 6 × 2 ft table and two chairs
- Access to an electrical socket
- Lunch and refreshments for one representative, for the duration of the event
- One place at the conference dinner and pre-dinner reception
- Company profile in the conference handbook
- Access to the technical sessions
- One night's accommodation on Monday 19 March

Reserving a stand

To book a stand, please select your preferred location from the floor plan and visit <http://trm-tims2018.iopconfs.org> to complete the online booking form. Confirmed exhibitors will be added to the website, so please check the site periodically for updates.

Floor plan

We also offer a wide range of sponsorship opportunities to exhibitors who want to increase their profile or to those companies who may want a presence at the conference but are unable to attend in person.

Book before 5 January to secure your space for £750 + VAT.

From 6 January, the rate will be £850 + VAT. Space is allocated on a strictly first-come, first-served basis.

Sponsorship packages

The conference offers an array of sponsorship opportunities for those companies who want to increase their visibility within the community. Sponsors can choose from a range of options, all include branding opportunities.

Why sponsor?

- An opportunity to promote your organisation and raise your profile within the wider community
- Promote your company name to participants prior to, during, and after the conference – these include decision-makers, scientists and students
- Demonstrate your commitment to assisting the development of young researchers
- Your representatives can mix informally with professionals from industry and academia
- Your support of the conference will be acknowledged widely through web-based and printed material
- Sponsorship contributes significantly to the promotion, planning and operation of the conference, reducing the overall cost of managing the event and enabling a higher level of participation

Delegate bags (exclusive item) **£2000 + VAT**

- Sponsor's logo will be printed on the delegate bags (one-colour print)
- Logo and link to your website via the conference website
- One A4 insert into the conference delegate bags
- Logo displayed on a banner in the lecture theatre

Badges and lanyards (exclusive item) **£2000 + VAT**

- Sponsor's logo will be printed on the lanyards (one-colour print)
- Logo and link to your website via the conference website
- One A4 insert into the conference delegate bags
